Why Hotbox is vital to the agile workplace.

For a seamless agile workplace, your people have to move quickly and easily around the space. If people cannot take their work tools with them from their locker to any chosen workspace, they are simply unable to become the agile workers they aspire to be.

With Hotbox, the agile workplace flows. Hotbox is the vital link in the chain, without which the agile workplace will just not operate.

Hotbox 2

Hotbox 2

Your space anywhere.

Designed with your needs and ease of use in mind, Hotbox 2 is the ultimate agile worktool. It encompasses everything we stand for: mobility, organisation and personality.

With its sophisticated exterior, interchangeable Camira fabric covers, soft-grip handle and optional shoulder strap, Hotbox 2 makes it easy to move around your workplace or venture further afield.

Details matter. We created a side-pull handle so you can take it from your locker and a business card holder to easily identify your Hotbox 2. The interior design of Hotbox 2 is flexible, just like you.

Split into two sections for optimum organisation, the larger compartment can hold laptops or notebooks and the front section has a whiteboard so you can make quick notes on the go.

Hotbox 2

Hotbox 2 also comes with two removable pen pots and a phone/tablet stand so your device is on hand at all times. For a more personal touch, add a slide-on photo frame which can be hung on the central divider of your Hotbox 2 or stand on your workspace with pride. With Hotbox 2 you define your own workspace whenever and wherever building your workspace around you.

New for 2020 is the Hotbox 2 grey edition. Choose the new eco-friendly Hotbox 2 grey edition which is made from recycled polypropylene (PP) and like all Hotbox products is fully recyclable at the end of its product cycle.

Hotbox 3

Hotbox **3**

Your office anywhere.

More than just a laptop bag, Hotbox 3 was created for the modern flexible worker. Designed to meet everyone's flexible working requirements.

With a separate padded compartment for your laptop and a spacious main compartment that can hold your tablet, notebook, phone, pens and business cards, Hotbox 3 keeps you organised when you travel and wherever you choose to work.

Hotbox **3**

Weatherproof, mobile and understated, Hotbox 3 organises and protects the tools you need to have a successful workday. With a soft-grip handle and shoulder strap, you are at your most comfortable when carrying a Hotbox 3.

Available in four subtle shades, Hotbox 3 is made from Rivet by Camira. Rivet is an ultra-modern fabric made from REPREVE® that is both luxurious and sustainable in its design. Each Hotbox 3 contains the equivalent of seven recycled 500ml PET bottles. What other product looks this good and is kind to the environment at the same time?
